1 Questions

1. In 2-3 sentences, describe the main project goal.
2. On a scale of 1 (easy) -10 (impossible), quantify if your original goal was reasonable.
3. On a scale of 1-100, what is your evaluation of the percent work that you were able to complete, with respect to your initial goal.
4. Do you think you were able to achieve the overall base objectives of the project (which is graded for 40
5. Are you asking for EXTRA CREDIT? (YES or NO)
6. If your answer to Q5 is YES, please identify (2-3 sentences) additional work that you did beyond the base objectives that deserve the extra credit. You should elaborate this more in your detailed report.
7. Did you write all of the software for your project? (YES or NO).
8. If your answer is NO, please list ALL the sources you used for your project.

2 Final Technical Report
